REASONS FOR AND BENEFITS OF THE PLACING AND USE OF PROCEEDS

The Company is an investment holding company. The Group is a foundation contractor primarily specialising in bored piling works as well as other foundation works. The Group is capable of installing bored piles with diameters ranging from 1.5 metres to 3 metres of various pile lengths. The Group has invested considerably in reinforcing the machinery and the Group possesses all standard plant and machinery and equipment necessary for the construction of bored piles. The Group is also engaged in leasing of machinery.

Assuming all the Placing Shares are fully placed, the gross proceeds from the Placing will be approximately HK\$7.88 million. The net proceeds, after deduction of all relevant expenses (including but not limited to placing commission, legal expenses and disbursements) incidental to the Placing of approximately HK\$0.58 million, are estimated to be approximately HK\$7.3 million, representing a net issue price of approximately HK\$0.162 per Placing Share. The Company intends to use the net proceeds for (i) the repayment of accounts payable which are overdue for more than 180 days in the amount of approximately HK\$4.3 million; and (ii) the remaining proceeds in the amount of approximately HK\$3 million will be used for general working capital of the Group.

The Directors have considered various ways of raising funds such as debt financing, which may incur interest burden on the Group and may be subject to lengthy due diligence and negotiations with the banks and may be relatively uncertain and time-consuming and believe that the Placing represents an opportunity to strengthen the Group's financial position, reduce the high gearing ratio of the Group and enlarge shareholders' base of the Company which may in turn enhance the liquidity of the Shares, and provide working capital to the Group to meet any financial obligations of the Group.

The Directors consider that the Placing Agreement is entered into upon normal commercial terms following arm's length negotiations between the Company and the Placing Agent and the terms of the Placing Agreement (including the Placing Price and the placing commission) are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.
